Trillium Twirls is a weekend MDH Dance Camp that's held in April on the western side of the state at the Battle Creek Outdoor Education Center in Dowling, Michigan. This year the weather started out really dark & damp with tornados threatening and it ended up with sunshine on Sunday. "Hey, this is Michigan!!" \*We played a lot of minor waltzes so I'm guessing they're the influence for this dark, minor waltz that perks up in the B part. jm

\*As it turns out, one of the waltzes I played with the Panning family was "Emma's Waltz", slightly darker in feeling, from the 'Waltz Book II', a traditional Finnish waltz that has some of the same chord progressions and similar riffs in places. This tune is just different enough that it could be paired with Emma's. jm
